The Trustee has the discretion to calculate the amount and timing of distributions as is administratively efficient.

**A(2). Pre-Confirmation Adequate Protection Payments/Lease Payments.**

The following pre-confirmation adequate protection payments on claims secured by personal property and pre-confirmation lease payments for leases of personal property shall be paid by the Trustee, subject to his full fees, to the creditors listed below. Unless otherwise ordered by the Court, these payments will be retained by the Trustee until confirmation and distributed after confirmation. Confirmation of the Plan shall impose an affirmative duty and legal obligation on the holders and/or servicers of mortgage claims to do all of the following, unless the case is dismissed or converted:

(a) Apply the post-petition conduit mortgage payments as post-petition monthly payments of principal and interest on the mortgage note, and, if applicable, as post-petition monthly payments of escrowed items such as insurance and/or real estate taxes. If such payments are placed into a suspense, forbearance or similar account, they will be deemed to have been applied pursuant to this subsection.
